

How to Dump File in FS-4400, FS-4500 with USB and FS-4700 receivers:

1. Insert the USB to receiver.
2. Go to Menu => Tools.

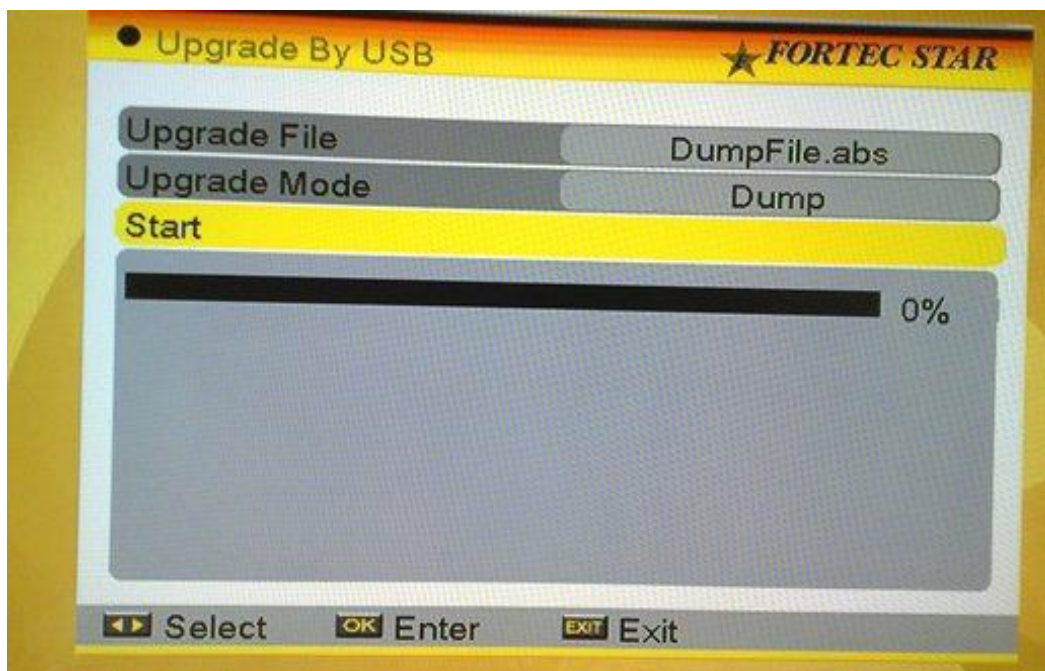

3. Then go to Upgrade by USB.

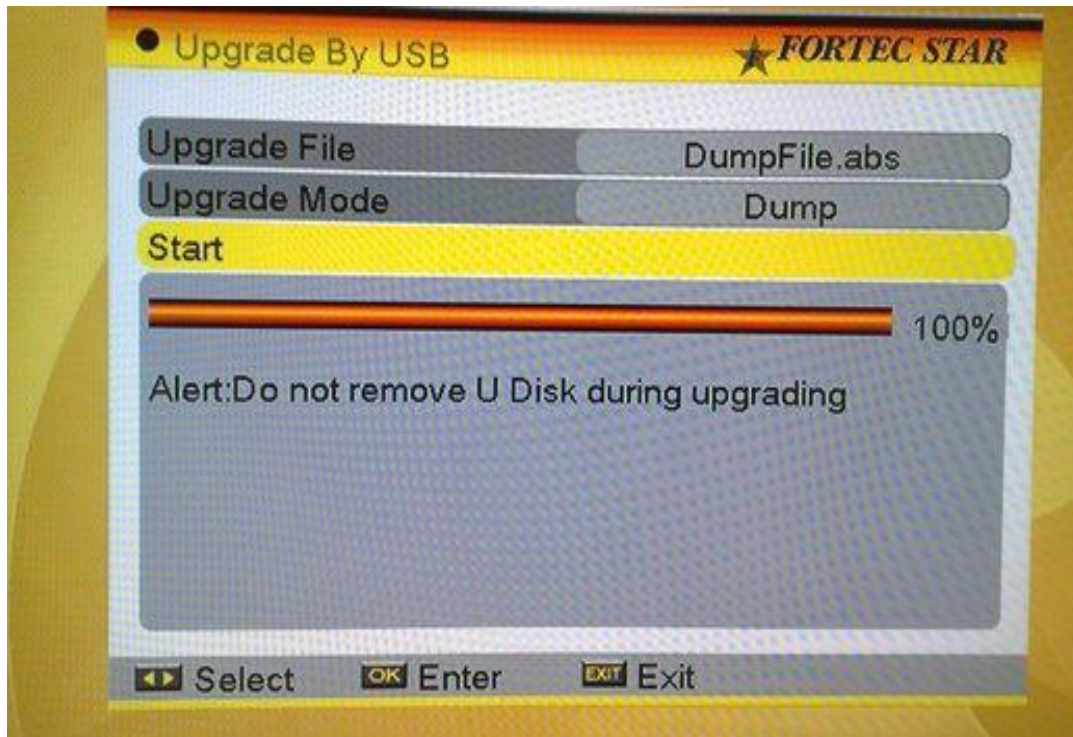

4. In Upgrade Mode choose **Dump**.

5. Click **START** to proceed dumping.

6. Wait until it finished showing 100% complete.

7. You will see now in your USB "DumpFile.abs"
